CIRCUITS

Full job description

Hays are partnered with a leading electrical company who have a large scale project in Dubbo. Due to current demands there is now an opportunity for 3 Electricians to join their team.

Your new role

You will be working with a highly experienced team predominantly doing refurbishment but with some new build requirements. Including installation of cable tray, circuits, switches, terminations, testing and commissioning.

What you'll need to succeed

- OHS Construction card
- NSW Electrical licence
- High Risk WP & W@H
- Reliable vehicle and your own tools
- PPE

With proven experience on commercial or industrial and large scale electrical refurbishments, you will have the ability to work with minimum supervision and have excellent communication skills.

What you'll get in return

- Competitive rate
- Work with a highly successful team
- Accommodation may be provided if necessary (locals preferred)

If you possess experience and would like the opportunity to work on this
