Full job description

Your new company

You will be working within the Gold Coast City Council Roads and Drainage crews on a temporary basis.

If deemed the suitable candidate you will be subject to an alcohol and drug screen prior to commencement.

Your new role

Your new role will be based within City Maintenance – Roads and Drainage, your duties will include but will not be limited to;

- Maintenance of Council roads, footpaths and storm water drainage networks
- Lay and finish concrete kerb and channel, footpaths, bikeways and associated works
- Lay and finish exposed aggregated, stencilled and stamped concrete
- Maintenance of storm water drainage manholes, gully pits, inlet/outlet structures, pipelines and associated works

What you'll need to succeed

- Available for an immediate start
- Previous asphalt and bitumen experience (highly desired)
- MR Licence licence or higher highly desirable
- Construction White Card

Candidates who apply must have recent labouring experience within civil construction and or bitumen and provide recent two references that reflect your skill level
