Full job description

Core Talent are currently recruiting a Site Supervisor for a reputable Tier 2 National Builder. The successful Site Supervisor will be working on projects based in Brisbane and surrounding areas delivering projects across industrial, health, education and retail with the value of projects between \$10m - \$60m.

To be successful for the role, you must have:

- QBCC Site Supervisor Licence
- 5 + years experience in a supervisory role delivering similar projects
- Excellent written and verbal communication
- Experience in subcontractor management
- Excellent time management, scheduling and ability to meet deadlines

In return, you will receive on-going support from your Project Manager and Construction Manager, ability to progress internally, competitive salary package with exciting employee benefits and deliver a diverse range of projects.
