Full job description

Your new company

Our client has constructed, overseen, and managed some of Queensland biggest infrastructure projects. They predominantly build schools and housing, but they also hold large maintenance contracts for some of the state's largest facilities.

Your new role

You will be working as part of a small team reporting directly to the site supervisor. Your daily duties will include:

- Maintenance and repairs to buildings and structures
- Replacing doors and locks
- Refurbishments
- General maintenance around the grounds

What you'll need to succeed

In order to succeed in this role, you will have the following:

- Certificate III Carpentry or relevant experience
- Construction White Card
- Proven background in maintenance carpentry
- Your own basic hand tools

What you'll get in return

In return for your hard work you'll be rewarded with:

- Above award payrate
- On-going casual role
- Ability to be able to work within a close-knit team

What you need to do now
