Full job description

Your new company

A well-established and expanding hydraulic and mechanical plumbing contractor based in North West Sydney. They specialise in maintenance works on high profile commercial buildings, hospitals and aged care properties and residential buildings.

Your new role

You will be responsible for TMV testing, back-flow prevention, planned and preventative maintenance, attending to breakdowns, general reporting, troubleshooting and other related maintenance duties.

What you'll need to succeed

- Cert 3 in Plumbing
- Previous experience as a Maintenance Plumber
- Excellent communication and organisational skills
- Computer literate
- Full NSW Drivers Licence
- Experience in residential and commercial works

What you'll get in return

Our client offers a competitive hourly rate, company vehicle and plenty of overtime. For the right candidate, future career progression opportunities are

available.

What you need to do now

If you're interested in this role, click 'apply now' to forward an up-to-date copy of your CV. Alternatively, you can email your resume to thom.grew@hays.com.au or call Thom Grew on 0280626162.

If this job isn't quite right for you but you are looking for a new position, please contact us for a confidential discussion on your career.
